SUPPORT SERVICES	
You may wish to take care of your loved one at home until the funeral, or you may wish to arrange the funeral, or some aspects of the funeral yourself. We are happy to provide advice and support with this as much or as little as you require. These are some of the services we may be able to provide on this basis, in addition to the services and products detailed above. You can also use your own suppliers if you prefer.	
Advise and support to register the death and apply for either cremation or burial	£350
Care of your loved one in our private mortuary (with guidance on family preparation if required)	£200
Use of our Mercedes private ambulance to transfer your loved one (including driver)	£200

MEMORIAL ITEMS
There are many additional products and services to personalise the funeral and to remember your loved one's life. We are able to offer a wide range of Memorial Items including ashes Vessels, Jewellery, Ornaments and Artwork, working with a number of different suppliers and artists to create a perfect way to remember your loved one. Please ask to see the full range of brochures, or we can work with you to create something bespoke and unique.
